

Velstar International Named a 2017 Future 50 Award Winner by SmartCEO Magazine

Company Recognized for Fast Growth Following the Launch of Its Innovative Marketplace Platform

New York (Jan. 3, 2017) — [Velstar International](http://www.velstar.com), (www.velstar.com) a global organization serving the technology needs of enterprise and commercial real estate markets, today announces that it has been recognized by New York [SmartCEO](#) as a [2017 Future 50 Awards](#) winner. This program recognizes the region's 50 fastest-growing mid-sized companies based on a combined three-year average of revenue and employee growth, and celebrates organizations that embody the entrepreneurial spirit critical for leadership and success.

Leveraging a global supplier community of more than 90 companies, Velstar specializes in sourcing best-in-class telecommunications, IT, wireless, cybersecurity and project management solutions that meet clients' unique operational needs. The company's unbiased, broad-based portfolio of useful resources ensures optimal service performance, ideal end-user experiences and the necessary financial flexibility to meet any budget objective.

To better serve the amenity demands of the commercial real estate industry, Velstar recently introduced the [Velstar Marketplace™](#), an online resource of office building listings that provides valuable connectivity information for both potential and existing tenants. This user-friendly platform offers access to network fiber maps, available phone and internet providers and a real-time quoting portal for over 50 different service options.

“At Velstar, we are passionate about providing best-in-breed services, solutions and resources to our clients to ensure optimal work product and profitability,” explains Tony Ruggieri, Velstar's Managing Partner for Global Sales. “We are deeply honored by this recognition of our rapid growth and success from SmartCEO, and look forward to many more years of service to our clients as a trusted technology partner.”

Velstar and other winners of the 2017 Future 50 Award will be profiled in SmartCEO magazine and celebrated at an awards gala on Thursday, March 16, 2017 in New York City. To learn more about Velstar International, visit www.velstar.com.
